

MOUNTAIN
ADVENTURE SCHOOL

MAS 100 Series

Includes MAS 101, 102, 102MC, CALM only

MAS 101

If you are looking for a 2 week, immersive experience in the Rockies where connections with nature and peers reach their peak (and credits are an awesome bonus), MAS 101 will **float your boat!**

MAS 101 is a 13 day outdoor adventure experience, based at the HeLa Ventures Field School, where students entering high school will gain knowledge, skills, and credits through experiential learning. MAS 101 is the foundation of our main Mountain Adventure School stream, and a prerequisite for MAS 201.

Prerequisites: Grade 9

Students will have the opportunity to experience school through a variety of activities including (but not limited to):

- lake canoeing
- whitewater river canoeing
- hiking
- rock climbing
- trail biking
- orienteering
- wilderness living skills/bushcraft
- 3 day camping trip
- gymnastics
- dance
- various games

*all activities are subject to change due to environmental/safety concerns

CREDITS

Note: All courses are supported by Alberta Education certified teachers and may have an online component. The online teacher will also be the in-person teacher at camp.

Credits offered:

- CALM 20 (online, 3 credits)
- Phys. Ed. 10 (5 credits)
- TOU 1010 (The Tourism Industry, 1 credit)
- WLD 1130 (Outdoor Survival Skills, 1 credit)

CALM 20 (delivered online)*

This course is required for high school graduation. CALM is designed to improve students' theoretical understanding of health and wellness, and to enhance a student's ability to apply knowledge and skills to personal situations. Concepts from CALM will be explored and utilized interactively at camp.

MAS 101 CREDITS CONTINUED

Physical Education 10

This course is required for high school graduation. A small online theory component is required as pre-course work and must be completed by the due date. All activities done while at camp will count towards completion of the course.

TOU 1010: The Tourism Industry

Through this course, students will analyze the organizational structure of the tourism industry at local, provincial, national and global levels. TOU 1010 creates the foundation for all tourism modules and begins the pathway towards careers in the growing tourism industry.

WLD 1130: Outdoor Survival Skills

This is a practical course that introduces safe travel and living in the outdoors. The focus is on assessing and avoiding risk, caring for oneself and others in the wilderness, and introducing skills for travel in the backcountry. This course creates the foundation for safe enjoyment of the outdoors.

*CALM is not required for the completion of MAS 101
