ADVENTURE SCHOOL

# PREVIEW OF PROGRAMS

Mountain Adventure School (MAS) is planning for another season of learning and living in the outdoors! We are excited to share our preview of programs with both our prospective and returning students and their families. The following provides an overview of the credits offered and pre-requisites required for each program. All programs will include your favorite outdoor adventure activities like lake and river canoeing, biking, wilderness living skills, climbing, and more! Complete program information will be available on our website on January 13, 2025. Program registrations will open January 15, 2025.

*\*All programs will include a portion of online work.*

*\*Students MUST be enrolled in credit courses in order to participate in the camp.*

**Prerequisite:**

- MAS 401

# MAS 450

## REMOTE RIVER TRIP

MAS 450 IS BACK! We are excited to announce that we are again offering MAS 450 to past MAS 300 graduates and alumni. The program is designed to be a capstone project for the student's past credits in leadership, canoeing, and excursions.

This year, MAS 450 will be 3 days of planning and preparation, 2 days of travel and 6 days trip on the Kootenay River, from McLeod Meadows to Canal Flats. The river is Grade 2, with Class 2 – 3 rapids.

### Credits offered:

- 4 CTS High School Credits. These credits will be individually designed based on the needs of the students.

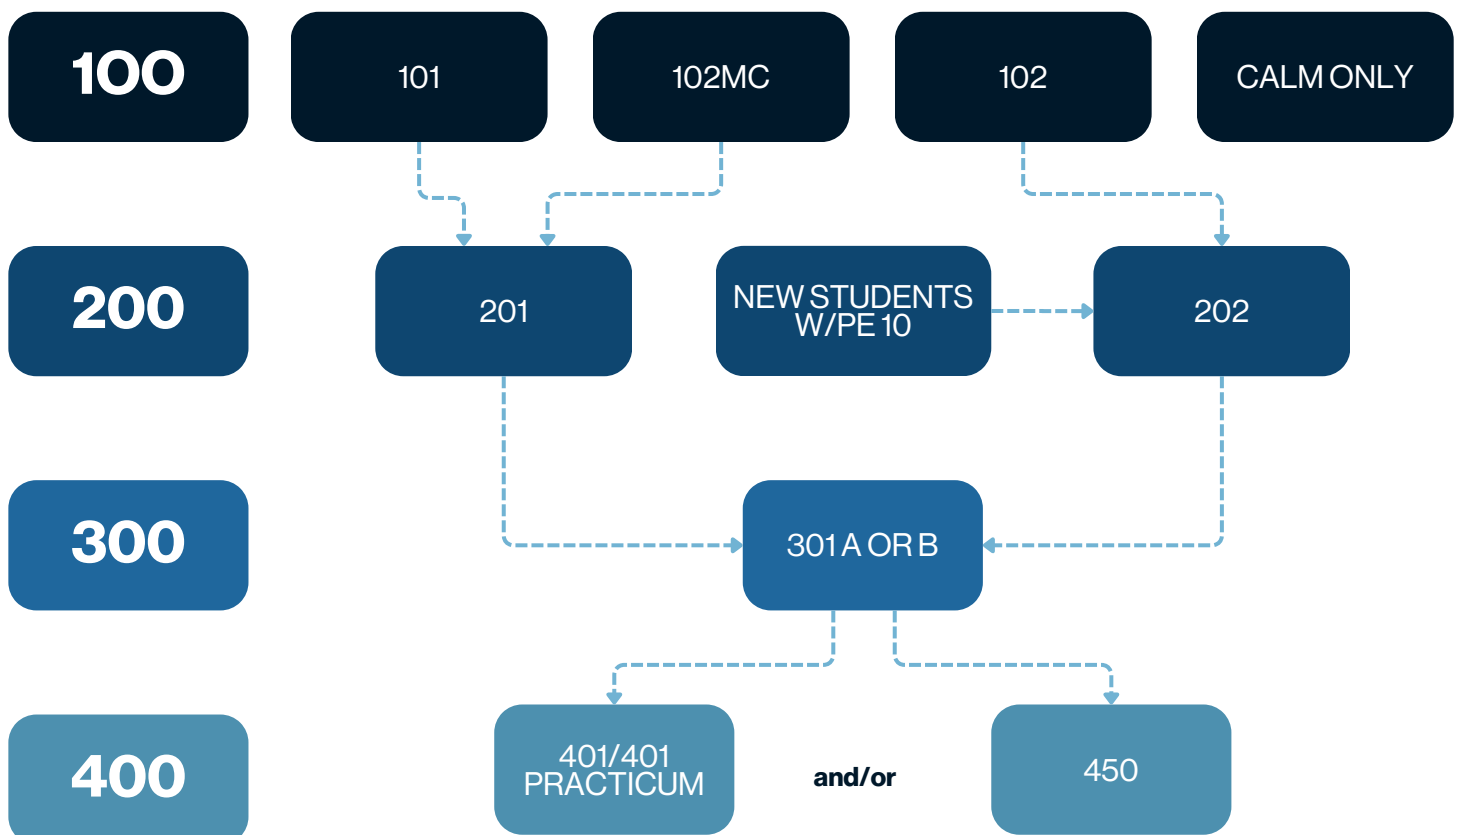

Students must apply and complete an interview process in order to participate in the program.

### Prerequisite:

- MAS 300

\*Can be taken in conjunction with MAS 401/401 Practicum
